## Module 4: Reframing Giving in the New Testament—The Why

---

### 1. The Tithe:

- How was the tithe supposed to work?
- What went wrong?
- What cultural or societal beliefs regarding the Tithe (10% of income) might impact how we understand “Giving” in the church today?
- How might these be a challenge in people giving today?

### 2. Radio Silence Ends...and new thing begins.

- This module was focused on understanding the Why of the Giving in the New Testament—Jesus Christ.
  - It's easy to forget that Jesus Christ was a member of the Trinity—the Son, who held all of creation together. Why is it important to remember both that Jesus was God (the Son in the Trinity) AND human, just like you and I?
  - We watched some key moments of Jesus' life and ministry. Which one resonated with you the most?
